TECHNICAL INFORMATION

We can offer outlets and hoses suitable for applications involving chemical transfer.

Our technical information, whether verbal, in writing or by way of trail sampling, is given in good faith but without warranty and this also applies where propriety rights or third parties are involved.

It does not release you from the obligation to test the products supplied by us as to their suitability for the intended processes and uses.

The application, use and processing of the products are beyond our control, therefore, entirely your own responsibility. Should, in spite of this, liability be established for any damage, it will be limited to the value of the goods delivered by us and used by you.

PLEASE NOTE:

Warranty is conditional on tank being correctly mounted.

LIQUID SURGE

Enduratank strongly recommends the use of the ball baffle system to control liquid surge when in transit. Call **01778 562810**.

Warranty Information

10 Year Extended Warranty Conditions – Horizontal Tank

- 1.1 These extended warranty conditions (“Extended Warranty”) will form part of the standard terms and conditions for the sale of goods (the “Contract”) entered into between the Company and the Buyer. Where there is a discrepancy between this Extended Warranty and the Contract, the terms and conditions of this Extended Warranty will prevail.
- 1.2 All words and phrases used in this Extended Warranty shall have the meanings as set out in the Contract unless the context otherwise requires.
- 1.3 The Company warrants that (subject to the other provisions of these conditions) on delivery and for a period of ten (10) years from the date of delivery, the Goods shall be of satisfactory quality within the meaning of the Sale of Goods Act 1979.
- 1.4 The Company shall not be liable for a breach of the warranty in condition 1.3 unless: The Buyer gives written notice of the defect to the Company, and, if
 - 1.4.1 the defect is as a result of damage in transit by the carrier, within 3 working days of the time when the Buyer discovers or ought to have discovered the defect;
 - 1.4.2 The Company is given a reasonable opportunity after receiving the notice of examining such Goods and the Buyer (if asked to do so by the Company) returns such Goods to the Company’s place of business at the Company’s cost for the examination to take place.
- 1.5 The Company shall not be liable for a breach of the warranty in condition 1.3 if:
 - 1.5.1 The Buyer makes any further use of such Goods after giving such notice; or
 - 1.5.2 The defect arises because the Buyer failed to follow the Company’s oral or written instructions as to the storage, installation, use or maintenance of the Goods or (if there are none) good trade practice; or
 - 1.5.3 The Buyer alters or repairs such Goods without the written consent of the Company.
- 1.6 Subject to conditions 1.4 and 1.5, if any of the Goods do not conform with the warranty in condition 1.3 the Company shall at its option repair or replace such Goods (or the defective part) or refund the price of such Goods at the pro rata Contract rate provided that, if the Company so requests, the Buyer shall, at the Company’s expense, return the Goods or the part of such Goods which is defective to the Company.
- 1.7 If the Company complies with condition 1.6 it shall have no further liability for a breach of the warranty in condition 1.3 in respect of such Goods.
- 1.8 Any Goods replaced shall belong to the Company and any repaired or replacement Goods shall be guaranteed on these terms for the unexpired portion of the ten (10) year period.
- 1.9 Extended Warranty Registration is effective if completed and returned within 21 days of original purchase.
